Al Attiya Motors

Al Attiya Group, one of Qatar's leading family business groups, emerged from the uncompromising efforts and vision of its founder, the late Mohammed Bin Abdallah Al Attiya, to build a future for Qatar and his family through the development of local businesses committed to integrity, social responsibility and superior customer service. He founded some of the first industrial enterprises in

Qatar over 40 years ago that are still running today; and he laid the foundation for today's diverse widespread Group.

The Al Attiya Group of companies is one of the largest privately-owned businesses in Qatar, having the exclusive distributing rights to some of the world's leading brands as well as its own unique Qatari brand names. It comprises some of the most innovative and forward thinking of local companies with the best of imported technology and cost-effective products.

Al Attiya Group covers a wide range of industries, including Automotive, Real Estate, Engineering, Manufacturing, Consultancy, IT and Training.

Over 4 decades, Al Attiya Motors and Trading Co. and the Al Attiya Group have gained extensive experience and continuous success in various business sectors through the original vision of its founder "Grow slowly, steadily but surely."

Today, Al Attiya Motors is among the top 5 automotive companies in Qatar, providing the world class customer services and well-known brands in the automotive cars, trucks, construction equipment, lubricants and tyre industries.

G.A.M.E : Joint Venture between Gaussin and Al Attiya Motors

In addition to the Licence granted by Gaussin to Al Attiya Motors, the 2 companies have decided to create a Joint Venture to ensure the long term success of the partnership between the 2 Groups and to accelerate the deployment of Gaussin Smart and Emission-free Vehicles in the Region.

The new company is established in the Qatar Free Zone, a world-class platform offering outstanding opportunities and benefits to expand across the region and globally.
